With reference to G O No L 13-15/Mi 233-34-6, dated 5-6-36 anctioning the water supply cheme of Closepet Municipality, I have the honour to state that it was suggested in the above Government order that a water rate of 0-4-0 in the rupee of Mohatarfa tax may be levied to meet the maintanance charges Necessary action was taken by the Presianet to issue a notification calling for objection It is reported that 38 petitions were received objecting the levy of the water rate on the ground that taxation is already heavy and that the revision of assessment was done during 35-36 with the object of utilising the increased income towards the water supply scheme

The Municipal Council before whom the objection petitions ere placed for decision resolved in their meeting held on 26-11-37 to levy a ~~water rate~~ tax at a reduced rate of 0-3-0 in the rupee in view of the objections put forth by the petitioner and sought sanction for the same I did not agree with the propo al inview of the unfavourable financial condition of the Municipality, and issued orders that a rate of 0-4-0 alone be levied

The President, Closepet, now reports that the Municipal Council in their Meeting held on 25-3-38 resolved levy a rate of 0-4-0 in the rupee I request you to be so good as to obtain sanction of Government for the levy

levy of a water rate of 0-4-0 in Closepet Municipality

The entire file received from the President, Closepet is enclosed for kind perusal and return

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner
